Dear All

**Stefan Wust has cancelled his talk “How to measure stress” on Friday 20th of April.**

His talk will be replaced by the following three papers. Please read them and make a combined summary out of the papers not exceeding 600 words under the title “How to measure stress”. Please send the summary to me with your name and student id code. Hand in the summary by the 27th of April at katri.raikkonen@helsinki.fi.
